

Protect Your Neighbors, Watch for ICE

Political scientists warn that America is no longer a democratic republic, but an authoritarian regime.

ICE has become its instrument of intimidation, with masked agents abducting people into unmarked vans. Our Constitutional rights are rapidly eroding.

The choice now isn't between resistance and safety—resistance IS our path to safety.

This isn't hyperbole. This is reality.

Activate Now

Organize and Rise for Community and Country

Sign up now for local ICE raid alerts at stopice.net

Train to document, de-escalate, and resist

Organize your community and stay alert

Protect your rights by defending the rights of others
